

A map showing the area around St. Mary's Church. The church is represented by a grey polygon on the left, with a blue circle icon and the text "St. Mary's Church" below it. To the right of the church, there is a large open area. In the center of this area, there is a red scribble and the handwritten red text "+9". Several white lines represent roads or paths, and a grey line on the right represents a boundary or road. There are also some small grey shapes at the bottom left.
