COMMENTS:

*Subject: Objection to Planning Application at 145 Nine Mile Ride**

Dear Planning Officer,

I am writing to formally object to the planning application submitted for the siting of a mobile home at 145 Nine Mile Ride.

The siting of a mobile home of this site will be very different to the surrounding area. Locally it is all permanent houses with gardens.

Two protected trees located on our boundary were severely cutdown. They told me they were dead. The cutting was extreme and they damaged a fence panel/gravel board and lamp in my garden.

The plan show the entire property is to be covered in hardstanding. This is not in keeping with the local properties. This suggested siting of more caravans on the site in future.

They have claimed there was a caravan on site previously. I have lived here for 44 years and no caravan was ever situated on the 145 Nine Mile Ride plot.

Someone has tried to tap into local services with no permission at the property and there is still an unrepaired hole outside our properties that we are awaiting the council to fix.

For these reasons, I respectfully urge the council to refuse this application. It would set an unwelcome precedent and diminish the character and quality of our neighbourhood.

Yours sincerely,
Carol Rowland

143B Nine Mile Ride
