Dear WBC Environmental Health,

Full Planning Approval Consultation

Application Number: 260800

Applicant: Mr Nick Wilson

Site Address: Greenways Bridge (culvert) Riverside Park, Woosehill, Wokingham.

Parish: Wokingham

Grid Reference: Easting - , Northing -

Type of Development: Minor All other developments

Proposal: Full application to replace a culvert with a 3.45m clear span and 3.5m clear width footbridge, including the removal of 7 no. trees.

Case Officer: Cameron Young

Development Management has received the above application, and we require your comments on the proposal using the recommended memorandum below. The documents associated with this are available to view in NEC DM using the application number 260800. Alternatively, public documents are available to view on the Council's planning application search page: [Wokingham Borough Council Online Planning](#).

Please index your response into NEC DM against the application. If you are recommending conditions, you should give a reason with reference to relevant policies. A list of standard conditions can be requested from the case officer.

Your observations are required in respect of this application by **3 June 2026**.

Yours sincerely,
Development Management & Compliance

- ☐ No comment
☒ No objection
☐ No objection subject to conditions (and reasons) **stated below**
☐ Request further information before determination as **stated below**
☐ Objection due to the reason(s) **stated below**

Comments On Proposal

The Environmental Risk Assessment identifies potential construction risks and sets out appropriate mitigation measures.

Construction activities will be temporary in nature. Proposed working hours (08:00–18:00) are considered reasonable, and given the scale and nature of the works, it is not considered that there will be a significant impact on residential amenity.

Environmental Health raises no objection to the proposed development.

Conditions & Reasons (if required)
