Eligibility

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible. The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right.

Is your proposal for a change of use from an agricultural building (and any land within its curtilage) to one of the following uses:

- General Industrial (Use Class B2) for the processing of raw goods, excluding livestock, which are produced on the site and are to be sold on the site (which can also be together with goods ancillary to the processing of those raw goods).
- Storage and Distribution (Use Class B8)
- Hotels (Use Class C1)
- Shops; Financial/Professional services; Restaurants and Cafes; Offices; Business; Indoor Sport; Recreation, or Fitness (Use Class E)
- Outdoor sport or recreation, not involving motorised vehicles or firearms (Use Class F2 (c))
- Use for the purposes of agricultural training

☒ Yes

☐ No

Was the use of the site on 3 July 2012 (or the last use before that date) solely for an agricultural use as part of an established agricultural unit?

☒ Yes

☐ No

Will the total combined floor space in the building(s) (previously and in this proposal) changed in use under this permitted development right exceed 150 square metres?

☒ Yes

☐ No

Will the total combined floor space in the building(s) (previously and in this proposal) changed in use under this permitted development right exceed 1000 square metres?

☐ Yes

☒ No

Is any part of the land, site or building:

- in a safety hazard area;
- in a military explosives storage area;
- a scheduled monument (or the site contains one)
- a listed building (or within the curtilage of a listed building)

☐ Yes

☒ No

Description of Proposed Works, Impacts and Risks

Please describe the proposed development:

Prior approval for the change of use of two agricultural buildings to flexible commercial use, including partial demolition of two bays from each building's west elevation.

Please provide details of any transport and highways impacts and how these will be mitigated:

The site benefits from existing access onto Part Lane. The demolition of two bays on the western ends of both Barns C and D will improve the existing access to the site. This will also ensure that HGVs and larger vehicles have space to manoeuvre safely and efficiently through the site. No significant highways concerns are raised. For further details please see the associated planning statement.

Please provide details of any noise impacts and how these will be mitigated:

The proposed development of both barns, for Class B8 storage, and Class Ec offices, are both low noise generating uses. The layout of the site has been designed to mitigate the noise impact associated with vehicular movements, with the parking provision being located adjacent to the highway. It is considered that the proposed uses will not result in any noise impact to surrounding dwellings (existing and proposed). For further details please see the associated planning statement.

Please provide details of any contamination risks and how these will be mitigated:

No outstanding contamination risks are identified. Please see the associated planning statement for further details.

Please provide details of any flooding risks and how these will be mitigated.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

[Check if your site location is in Flood Zone 2 or 3 online.](#)

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

The site is located within Flood Zone 1. The site benefits from large areas of existing hardstanding. The proposed development will also not increase the risk of surface water flooding. For further details please see the associated planning statement.
