COMMENTS:

RPC met on Monday 14th April. On 232970 (Coach House (CH)/Five Horseshoes (5H)) RPC noted that there had been 9 planning applications for this site in recent years. Here the plans are now for the Coach House to be demolished and rebuilt in almost exactly the same gross internal area behind 5H, while FH is now shown on a plan as one dwelling. RPC is happy for there to be a limit of two dwellings only on the site with the requirement that there should for 5H be retention of the old brick & flint facade of the former pub. RPC would not wish there to be vehicular access along the rear footpath. With these provisos RPC is happy to leave the matter with WBC Planning officers.
