Dear Mr Flowers,

**SECTION 211 NOTIFICATION OF WORK TO TREES WITHIN THE SONNING
CONSERVATION AREA**

APPLICATION NUMBER: 250357

LOCATION: ST ANDREWS ACRE, THAMES STREET, SONNING, WOKINGHAM, RG4 6UR

With reference to your notification which was received and validated on the 14th February 2025, I am writing to advise you that Wokingham Borough Council has made Tree Preservation Order 1991/2025 to protect the beech trees that were proposed to be reduced in height under the subject notification.

The Tree Preservation Order is a legal document, which takes away your rights to deal with protected trees on or overhanging property. You must not carry out any work to these trees, including pruning to branches or roots, without prior written permission from the Council (certain exemptions apply).

Some explanatory guidance on tree preservation Orders is given in Tree Preservation Orders and trees in conservation areas, produced by the Department for Levelling up, Housing and Communities and the Ministry of Housing, Communities and Local Government. This is available online at www.gov.uk/guidance/tree-preservation-orders-and-trees-in-conservation-areas. Please contact the Council if you would like a paper copy.

If you have any questions, please contact the Tree Officer via development.control@wokingham.gov.uk or write to the above address, please reference the TPO number.

Yours sincerely,

Chris Hannington - Trees and Landscape Team Manager
