See confirmation below of site registration for 31 Beverley Gardens. Is there any way to expedite this as temperatures are dropping and ideally I would like to strip the roof off asap. Also, contractors are at the right point to start the roof strip and this is likely to slow down the build.

Kind regards,

Sarah Foot MCIEEM
Principal Ecologist

Dear Sarah Foot (RC168)
Cc Phil Neville,

Thank you for submitting your site registration form (10132A) for 31 Beverley Gardens, Wargrave, Reading, Berkshire, RG10 8ED Grid reference: SU 791784

Based on the information you have provided; Natural England is satisfied that the works fall within the remit of WML-CL21 and that the three tests have been met. Please accept this email as confirmation that the site is now registered, and you can commence works on site as described in your site registration form and in accordance with class licence WML-CL21.

Please find attached a licence return form which you must complete and return to Natural England (BatLowImpactCL@naturalengland.org.uk) within 4 weeks of completion of licensed works. If works will continue longer than you have indicated in your site registration form, please inform Natural England as soon as possible; otherwise your licence return will be expected no later than the **28th December 2024**.

If you have any further queries in relation to this site registration, please do not hesitate to contact us on our email address below

Kind regards,

Neil Owen
