

HOUSEHOLDER **DRAFT DECISION NOTICE**

WOKINGHAM
BOROUGH COUNCIL

Expiry Date: 17 October 2025

Application Number: 252021

Location: 30 Redwood Avenue, Woodley, Wokingham, RG5 4DR

Proposal: Householder application for the proposed erection of a first floor rear extension plus replacement of part of the existing single storey roof, insertion of rooflights and changes to fenestration.

Recommendation: Approve

Conditions and/or Reasons

1. Timescale

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details

This permission is in respect of the submitted application plans and drawings numbered (GA.03) & (GA.02 01), received by the local planning authority on 22/08/2025. The development shall be carried out in accordance with the approved details unless otherwise agreed in writing by the local planning authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. External materials

The materials to be used in the construction of the external surfaces of the development hereby permitted shall be in accordance with the application form, unless otherwise agreed in writing by the local planning authority.

Reason: To ensure that the external appearance of the building is satisfactory.
Relevant policy: Core Strategy policies CP1 and CP3.

Informatives

1. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.

2. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning

permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

3. The applicant is reminded that should there be any change from the approved drawings during the build of the development this may require a fresh planning application if the changes differ materially from the approved details. Non-material changes may be formalised by way of an application under s.96A Town and Country Planning Act 1990.

4. Bats are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended).

The works should be conducted under the supervision of a licensed ecologist holding a valid Natural England bat licence, and follow a precautionary Non-Licensed Method Statement (NLMS). The approach

must ensure the adoption of soft-strip techniques and close ecological supervision to minimise risk to bats.

Should any bats or evidence of bats be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed. All contractors working on site should be made aware of the advice and provided with the contact details of a relevant ecological consultant.
