Dear [REDACTED]

Thank you for submitting site registration form **Dell House, The Ridges, Finchampstead, Berkshire, RG40 3TA, RC011-9844A.**

Based on the information provided, Natural England is satisfied that the works fall within the remit of WML-CL21 and that the three tests have been met. Please accept this email as confirmation that the site is now registered and you can commence works on site as described in your site registration form and in accordance with class license WML-CL21.

Please find attached your license return form which you must complete and return to Natural England (BatLowimpactCL@naturalengland.org.uk) within 4 weeks of completion of licensable works. If works will continue longer than you have indicated in your site registration form, please inform Natural England as soon as possible, otherwise your license return will be expected no later than the 28th November 2024.

Confirmation of Natural England charge

In our acknowledgement email sent to you on 30/07/2024 we confirmed that your site registration will be free of charge.

If you have any further queries in relation to this site registration, please do not hesitate to contact us on our email address below.

Kind regards,
