**Application Number:** F/2000/1271

**Appraisal:** 79 Fairwater Drive is a two-storey semi-detached house. At the rear, there is an existing 1.5 metre deep, single-storey extension, across the whole width of the property. The proposed conservatory would adjoin the boundary with 81 Fairwater Drive and have a depth of 2.7 metres. The combined depth of the two extensions would be 4.2 metres. As there is an existing single-storey rear extension at 81 Fairwater Drive, which is about 3 metres deep, the proposals would not be overbearing or cause unacceptable loss of light to the neighbouring property. Initially, a high level window was proposed in the side adjacent to 81 Fairwater Drive but, as the wall of the conservatory would form the boundary, it was considered that this would result in the occupants of the neighbouring property feeling overlooked and revised plans have been submitted with this window omitted. The conservatory would be 3.5 metres wide, leaving 3.5 metres to the boundary with 77 Fairwater Drive so there would not be a significant impact on this neighbour.
