Comments On Proposal

The WBC LHA have no objection to the proposal for 28 streetlights on the eastern side of Longwater Avenue, Greenpark (which is within the Reading Borough Council jurisdiction). The nearest lights would be c.31 metres from the nearest WBC Road (Kirtons Farm Road) and the roads are separated by scrub/trees. In any case, there are already lighting columns on the western side of Longwater Avenue and as such columns further away are unlikely to impact WBCs road network.
