Details of the pre-application advice received

On Friday 20th June, I received a call from Historic Buildings Officer [REDACTED] following a prior conversation with case officer [REDACTED]. I informed [REDACTED] that works on site had commenced 2–3 weeks ago in accordance with approval 242350. I also explained that, due to the unexpectedly poor condition of the existing timber roof structure, we believe it would be most appropriate to replace the entire roof structure with a new one—carefully designed to match the existing as far as possible. [REDACTED] confirmed that this change would require formal consent.

With respect to the Authority, is the applicant and/or agent one of the following:

- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
