Hi Joanna,

Thank you for the quick response! Yes, I had a great weekend enjoying the weather as well.

Apologies for not reverting on this question earlier. The proposed DDA spaces are for office use.

Kind regards

Good morning Tom,

I had a lovely weekend, thank you – hope you enjoyed this great weather too!

I spoke to our Highways officer on Friday and she advised that they are still waiting for confirmation whether the proposed DDA spaces would be utilised by residential or office uses.
