

MEMORANDUM

From:	Louise Aparo Ecology Officer		
Service	WBC Ecology	App No:	252190
Address:	St Crispins School, London Road, Wokingham, RG40 1SS.		
Proposal:	Full application for the proposed installation of solar panels.		
Type of Development:	Minor All other developments		
Site Visit Made:	Yes/No		

Summary Of Recommendations

- ☐ No comment
- ☒ No objection
- ☐ No objection subject to conditions (and reasons) **stated below**
- ☐ Request further information before determination as **stated below**
- ☐ Objection due to the reason(s) **stated below**

Comments On Proposal

A Preliminary Ecological Appraisal and Preliminary Roost Assessment dated 5th November 2022 by ArbTech was provided in support of this application and a different application within the same site. The PEA provides sufficient evidence to show that the buildings requiring solar panels have negligible potential for roosting bats and evidence indicating no suitable habitat for nesting birds.

As such as the implementation does not impact any protected species or species of principal importance.

Conditions & Reasons (if required)
