COMMENTS:

Winnersh Parish Council's Planning and Transport Committee wishes to reiterate that all previous objections submitted in relation to this application remain valid and should be given full consideration.

In addition, the Committee has expressed specific concern regarding the proposed location of the Gypsy and Traveller pitch adjacent to Wheatsheaf Close. Members consider this location to be unsuitable and believe that alternative sites identified within the wider plan would be more appropriate and less impactful on the existing residential community.

The Committee also notes that there is an existing authorised pitch in a neighbouring parish which has not yet been fully utilised. This raises further questions about the necessity and justification for the proposed new pitch.

For these reasons, WPC maintains its objection to the proposal and respectfully requests that the planning authority reconsider the suitability and justification for the proposed location.
