COMMENTS:

Wokingham Without Parish Council is concerned that the business failed to follow proper procedure and apply for planning permission. The Parish Council request the vending machine removed until a traffic survey is completed and it is proven that safety standards are fully met.

This once rural road is and will be subjected to ever increasing volumes of traffic as it becomes the main access route due to future road closures plus traffic volume generated from the Grays Farm development of sports pitches. Safety is already a concern for the current users accessing Squires Garden Centre, Holme Grange, schools and businesses.
