COMMENTS:

I strongly object to this proposed advertising console. The location will severely restrict line of sight from the car park adjacent to 8 London Road, which could cause a road traffic accident. Twyford village is a conservation area and this style of advertising is wildly out of keeping with the rest of the buildings. I do not feel there is a need for this type of digital advertising in the village, but there are other locations better suited such as Bell corner, Wellington square and Jubilee corner, as these wouldn't hinder line of sight to passing traffic
