Confirmation of Boundary Treatments

The following boundary treatments will be implemented prior to occupation of 36 and 38 Rose Street.

Along the outer boundary of each garden a 6ft fence with top trellis section will be erected, as denoted by the red boundary line.

The inner boundary, between 36 and 38 a 5ft fence with top trellis section will be erected. This is shown by the inner blue line.

An example of the fence panel is shown below.
