Application Number: F/2000/1343
PROP: S.ST. SIDE & FRONT EXTENSIONS.
Appraisal :

The application being considered is for a single storey side extension to create a study/ utility/W.C area & a S. storey front extension to form a lobby/porch.

IMPACT UPON NEIGHB. PROP.
The proposed side extension which would have a floor area of approx. 21m² & a ridge height of approx 3.4m to the ridge. This extension would be located approximately 6m from the dwelling at no. 32 which sits slightly forward of no. 30. It is not considered that the proposed side extension will have an adverse negative impact upon the living conditions of the vendents of no. 32.

IMPACT UPON STREET SCENE.
It is considered that both extensions would be visible from the property's entrance. However these views would be limited due to the set back of the dwelling & also due to the screening of the site along the front boundary. The proposed extensions are also considered to be in keeping with the character of the dwelling.
The proposed extensions would not have an adverse negative impact upon the St. scene.
