COMMENTS:

Shinfield Parish Council objects to this application for the following reasons:-

- encroachment into amenity land at the rear of the property
- would question the ownership of the Green strip where the Office is proposed traditionally such a space would be equally split between the two properties backing on to it, otherwise it is a land grab?
- This application cuts the green strip in two which is also concerning
- a proper tree survey should be requested to ensure no damage is done to exist trees
- there appears to be no access to the Office, unless the 1.5 is a roller door?
