COMMENTS:

I previously objected to application number 153409. I wish to also object to this application. I moved to Crowthorne nearly twenty years ago and it is becoming unrecognisable due to the amount of new housing. The area does not need any more houses being built destroying yet more wildlife and open space. This part of Sawmill Lane will be ruined if this application is allowed to proceed. I, for one, will protest robustly if so. Thank you
