COMMENTS:

Winnersh Parish Council's Planning and Transport Committee raised no objections to the proposed development in its current form.

However, the Committee note the concerns raised by a resident regarding the potential change of use of the property. The Committee would like to emphasise that any future change of use must be subject to the appropriate planning application process and should not proceed without proper consultation and approval.

Additionally, the Committee note with concern that work on the site has commenced prior to planning permission being granted. The Council urges Wokingham Borough Council to ensure that all planning protocols and procedures are adhered to in full and that any breach is addressed in accordance with planning enforcement policy.
