COMMENTS:

options and not a land used by the community for half a century.  
This is total lack of empathy toward the a sustainable community to  
present physical and mental well being of the community. I strongly  
object to this conversion to housing development.  
I object SPC taking over a recreation ground maintained by shinfield  
rangers football club and other clubs and disallowing the community  
to have a space for recreation and sports. SPC should look for other
