COMMENTS:

Please consider a street light upgrade, (taller columns to provide a better coverage of illumination for the carriageway and footpaths) on Nine Mile Ride Extension between the Sheerlands Road junction and the Bohunt School Spur Road to increase safety for all road users and pedestrians for the following reasons:
The Proposed increased width of the carriageway including the addition of the new bus stops, the steep sweeping bend, 3 new pedestrian crossings 2 of which will be un signalled, 4 busy junctions, this stretch of road will become the busiest in the Arborfield Green area for both Road traffic and pedestrians and the proximity of the Bohunt Secondary School.
