Dear WBC Drainage,

Full Planning Approval Consultation

Application Number: 252868

Applicant: Jo Lovell

Site Address: 54 Denmark Street, Wokingham, RG40 2BB

Parish: Wokingham Town

Grid Reference: Easting - 481084, Northing - 168328

Type of Development: Other Change of Use

Proposal: Full application for the proposed change of use of first floor to post-16 SEND hub, including full replacement of external fenestration, installation of a new double-door entrance at first floor level, installation of a new heat pump system, replacement of existing AC units at roof level and installation of additional solar panels.

Case Officer: Connie Davis

Development Management has received the above application, and we require your comments on the proposal using the recommended memorandum below. The documents associated with this are available to view in NEC DM using the application number 252868. Alternatively, public documents are available to view on the Council's planning application search page: [Wokingham Borough Council Online Planning](#).

Please index your response into NEC DM against the application. If you are recommending conditions, you should give a reason with reference to relevant policies. A list of standard conditions can be requested from the case officer.

Your observations are required in respect of this application by **5 February 2026**.

Yours sincerely,
Development Management & Compliance

- ☐ No comment
- ☒ No objection
- ☐ No objection subject to conditions (and reasons) **stated below**
- ☐ Request further information before determination as **stated below**
- ☐ Objection due to the reason(s) **stated below**

Comments On Proposal

LLFA received Full application for the proposed change of use of first floor to post-16 SEND hub, including full replacement of external fenestration, installation of a new double-door entrance at first floor level, installation of a new heat pump system, replacement of existing AC units at roof level and installation of additional solar panels on 15th January 2026.

The proposed development is **not drainage-led** and is unlikely to have any material impact on flood risk or surface water management. Accordingly, the LLFA raises **no objection** to the proposal and has **no specific drainage comments or conditions** to recommend.
