Proposal: **Proposed rear dormer extension to dwelling to form rooms in loft space.**

The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Approve Permission** for carrying out the above development in accordance with the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Condition
1. The development hereby permitted shall be begun before the expiration of five years from the date of this permission.

Condition
2. All new works and works of making good to the retained fabric shall be finished to match in size, colour, texture and profile those of the existing building.

Reason
1. In pursuance of Section 91(1) of the Town and Country Planning Act 1990.

Reason
2. To ensure that the external appearance of the building is satisfactory.

Informative
1. The applicant is reminded that this approval relates to planning permission only and does not constitute approval under any other legislation including Building Regulations. To obtain advice on current Building Regulations the applicant should contact the Building Control Section of the District Council's Planning Department.

Informative

2. You are advised, in compliance with The Town and Country Planning (General Development Procedure) (England) (Amendment) Order 2000, that the following policies and/or proposals in the development plan are relevant to this decision:

Appraisal:

Proposed Development

The proposed development is a flat roofed dormer window to provide an extension to a bathroom, study and bedroom. The dormer will project 2.7m from the main roof, it will be 1.9m in height and will be 6m in length.

The site lies in the identified settlement. The proposed falls to be assessed against policies in the adopted South East Area Local Plan and Wokingham District Local Plan (as proposed to be modified).

1. Impact upon neighbouring properties

The proposed dormer window will not be overbearing or cause overshadowing to neighbouring properties.

There will not be any overlooking given that there is a distance of approximately 40m between the proposed and the flats (above the shops) at no. 11 Woosehill Lane.

2. Impact upon the character of the area

There will not be any detrimental impacts on the character of the area given that the dormer window will be well contained in the body of the main roof; it will be set in and be lower than the ridge of the roof. In addition, it will not be out of character given that there are a number of flat roofed dormer windows in the locality (i.e. Curl Way, Heelas Road, Perkins Way)

3. Parking

Four parking spaces are provided for this 4 bedroom property. This is in line with the parking standards as set out in the Local Plans.
