This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Feedback on the original design was as below:

Ground floor rear extension - acceptable
Rear dormer to loft conversion - acceptable
Front facing dormer too loft conversion - unacceptable
Garage alteration - unacceptable.

In response, the rear extension and loft conversion dormer roof have remained unchanged.

The large front dormer to the loft conversion has been removed and replaced with 2no small dormers in the style of the existing first floor dormers with the same positioning.

The Garage has been amended significantly to reduce its' impact on the street scene. The roof pitch is similar to the existing with a single storey extension and a rear dormer to accommodate a home office which is in keeping with similar properties further along Hart Dyke Close and in Denby Close as seen on 03-20 Precedents.

We have also undertaken and included a Bat and Ecology survey, a Tree Protection plan and Arboricultural Impact Assessment as requested.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
