NOTIFICATION OF REFUSAL OF PLANNING PERMISSION

Application Number: 230291
Applicant Name: Mr Andrew Shone
Site Address: 1 Wheelton Close, Earley, Wokingham, RG6 7YD
Proposal: Full application for the proposed change of use of amenity land to residential garden and erection of a 1.8m high brick wall.
Date of Decision: 10 March 2023

Wokingham Borough Council in pursuance of its powers under the above Acts and Regulations hereby **refuses permission** for carrying out the above development as stated in the application and the accompanying plans submitted to the Council for the reason(s) specified hereunder.

Reasons

1. The proposed change of use of existing amenity land to residential garden facilitated by the erection of a new brick wall boundary treatment, by reason of its siting closer to the adjacent public highway and creation of an inconsistent boundary line to the neighbouring property would result in the loss of important visual amenity land and soft landscaping which in turn would adversely affect the spacious nature and openness of this amenity land that connects Wheelton Close and Skelmerdale Way, to the detriment of the character and appearance of the street scene and surrounding area. The proposal is thus contrary to the National Planning Policy Framework (2021) policies CP1 and CP3 of the Core Strategy (2010) and Policy CC03 and TB21 of the Managing Development Delivery Local Plan (2014) and the National Design Guide (2021) and the Borough Design Guide Supplementary Planning Document (2012).

Informatives

1. If you intend to submit an appeal to be considered as a Public Inquiry you must notify the Local Planning Authority (planning.appeals@wokingham.gov.uk) and

Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before you submit the appeal.

2. This decision is in respect of the drawings and plans numbered 22-P052-100, 22-P052-102 & 22-P052-103 received by the Local Planning Authority on 06/02/2023.

3. The Council engages with all applicants in a positive and proactive way through specific pre-application enquiries and the detailed advice available on the Council's website. On this particular application, no pre-application advice was sought before the application was submitted. As the proposal was clearly contrary to the provisions of the Development Plan, it was considered that further discussions would be unnecessary and costly for all parties.
