

PLANNING REF : 251396
PROPERTY ADDRESS : 5 Uffcott Close Lower Earley
: Reading, Berkshire
: RG6 4BQ
SUBMITTED BY : Sir Chris Hall
DATE SUBMITTED : 03/07/2025

COMMENTS:

This is a residential area, the application has the sole intention of turning the entire property into a 100% business venture. This is not suitable and not allowed in the area.

The nature of the intended use of the property is also of considerable concern in the area. There are numerous vulnerable residents close by, some young and some elderly. I strongly object to this application.
