: Arborfield Cross, Reading, Berks, Berks
: RG2 9PU
SUBMITTED BY : Mrs Lorna Parker
DATE SUBMITTED : 12/01/2025

COMMENTS:

We have already had the big development on MoD land creating Arborfield Green with nearly 4,000 properties, we do not need another 4,000 at Hall Farm which is agricultural land which floods. There is no mention of the sewage plant being made bigger so more will be dumped into the river. The roads around the village are full to capacity with traffic. The countryside is disappearing at a rapid rate and we need to hang on to it for our well being.
