☐ Objection due to the reason(s) **stated below**

Comments On Proposal

Conditions & Reasons (if required)

Bats are mobile creatures, and it is possible that protected species may be encountered once works commence. I recommend the following informative should be appended to any such consent:

Informative I17: Bats are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended). Should any bats or evidence of bats be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed. All contractors working on site should be made aware of the advice and provided with the contact details of a relevant ecological consultant.

Date:	30/06/25	Signed:	T Cuss
