

NOTES:

1. This drawing is to be read in conjunction with all associated drawings by architect and/or other designers and associated specifications.
2. All dimensions shall be checked and verified on site before commencing work or preparing shop drawings. Any discrepancy shall be reported immediately.
3. This drawing is protected by copyright.
4. The works are subject to planning approval, engineering design and water supply company's approval.
5. Garage conversion materials shall match with the existing materials.
6. The external wall of the garage conversion shall be an insulated cavity wall.
7. All windows, skylight, sliding doors and bi-fold doors shall be double glazed and have UPVC or aluminium frames, in colour of the existing building.
