25 February 2015

Dear Mr Clark

Please find enclosed a copy of the pupil numbers page of the DfE annual census at 24 February 2015.

Also below is the text of the "Termly Reminders" for where we request that parents lift share and encourage walking or cycling to school where possible. This was sent at the start of each term during 2014 and was last sent on 9 January 2015.

Dolphin "Update" extract:

As part of the condition of Dolphin's planning permission we are required to produce a travel plan. We have assured the Local Authority that we will promote car sharing and encourage walking or cycling to school wherever possible. The roads and paths around Hurst will only enable parents to allow children to travel in this way where they feel that the route is completely safe.

With best wishes

Yours sincerely
