Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

We are installing an additional air source heat pump (ASHP) 2no. in total. I understand a single ASHP is allowed under our existing planning approval but the addition of a 2nd unit requires further planning approval.

Please state why you wish to make this amendment

Due to the volume of the house the mechanical installation design calculates that a 2nd ASHP is required to meet the heating load demand. We have removed the gas supply to the site to utilise a more energy efficient and environmentally friendly heat source.

Are you intending to substitute amended plans or drawings?

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No
