

APPLICATION OF THIS DRAWING
This document has been prepared for submission for planning approval. Further information will need to be added before it is suitable for tender or construction.

DXF & DWG FILES
This drawing was created in Vectorworks. When Vectorworks drawings are translated into DXF and DWG files some fills do not appear on the new file as they did on the original. Other features of the drawing may also be lost. For this reason hard copies or pdf files should be used.

PDF FILES
Recipients of pdf files should check the scaling is accurate when printing the files. Drawn scales have been included on the drawing for this purpose.
