COMMENTS:

I don't think it's a good idea to build another 183 homes in Shinfield! Besides the land consumption, it would represent a disproportionate increase in population in a small area, already overwhelmed by massive house construction and suffering from able traffic for a small town. Not to mention the critical situation of services like healthcare and Wi-Fi, which are truly appalling in Shinfield. Therefore, I express my complete opposition to further development in Shinfield and hope that my opinion, as I believe it is that of many others who already live here, will be taken seriously.
