

A large, mature tree with dense foliage of reddish-brown and green leaves dominates the upper two-thirds of the image. A white label 'T1' is positioned in the upper center of the tree's canopy. A red line is drawn across the image, starting from a point on the tree's canopy on the left, extending horizontally to the right, and then turning vertically down to the ground. The ground is a wooden fence. In the bottom right corner, the rear portion of a red car is visible. The sky is a clear, bright blue.
