Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The existing side window (referred to as W4) is currently opening and the glazing is not obscured. Condition 3 states that 'windows shall be non-opening unless the parts of the windows which can be opened are more than 1.7 meters above the finished floor level of the room in which the windows are installed'. The implication of this is that the window has to non-opening, as 1.7 meters in height reaches the top of the window reveal. Any openings within this room are not possible, even though were opening before. The room in question is a Bathroom therefore vital to have an opening to increase ventilation to help limit condensation and keep mould and mildew and its associated health issues at bay by reducing the humidity level.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We would like an opening as per the existing.
