COMMENTS:

I would like to object this application.

Neighbour at no 10 has taken zero effort to speak with his neighbours before building this unit. When the construction has begun I and few others have tried to approach no 10 residents but haven't recieved any response back. When I look into my garden all I can see now is the storage unit in black color, which feels above 2.5mts in height, it is mentioned 2.5mts in the planning application. Everyday for rest of my life I had to wake up to the site of this ugly looking black storage unit. Other residents feel the same. Selfish, inconsiderate I should say. Wish I could share some pictures from my side of the fence how bad it looks.
