COMMENTS:

application 260287

This comment is on behalf of Stephen and Halema Robinson, the owner occupiers of 15 Arnside close. We object to the application on several grounds.

Firstly the light to my garden would be greatly reduced with any structure in the rear of 16, 17 Arnside, especially the one proposed.

The privacy of my garden and property would be infringed with the proposed build.

The proposed structure design is out of character with the low builds at 12-17 Arnside. It is overbearing and the character of all builds locally have a small garden rather than crammed in housing. In conclusion the proposed building at 16-17 Arnside would reduce light to 15 Arnside (our property). It would invade the privacy of my building and garden. It is totally out of character with the area and we strongly object to this application.
