Comments On Proposal

In principle, the Council's Tree & Landscape Officer would support the proposed installation of retractable safety poles and netting on the boundary of the cricket ground and Remenham Lane. However, the drawings and statements that have been submitted with this application lack sufficient details. The agent should add the following information to the *Proposed Site Plan* and *Proposed Elevation* drawings. (Ref: flint & figg, 050626-PP0010, 06/05/2026 and flint & figg, 050626-PP0011, 06/05/2026)

- Accurate width of hedge on plans
- Hedge labelled or indicated in a legend on plans
- Location of retractable poles in relation to hedge
- Pedestrian and vehicular gates included on plans and elevation

Information about the poles' foundations would also be helpful.
