COMMENTS:

This is a ridiculous proposal. A fuel depot directly next to a nature reserve, with access via a quiet country road, which already has

access difficulties due to the large lorries that have to park on the Old Bath Road awaiting access to the tyre depot. Sadly Speedy fuels will keep submitting proposals having purchased the site.

When they started using the site as a depot (pre planning) for a period last

year, you could smell the fuel across the country park. THIS CANNOT BE ALLOWED TO HAPPEN. I strongly object as a resident of Charvil.
