PROPERTY ADDRESS : Hope Cottage
: Broadwater Lane, Hurst, Berkshire
: RG10 0DS
SUBMITTED BY : Mr Richard O'Rourke
DATE SUBMITTED : 06/03/2026

COMMENTS:

My objection to this application comes from the sites location. This is on the approach in to Hurst, to my mind it is outside the settlement area and is broaching the divide between two developed areas which will affect the character of the area. This approach is along a road with a number of unique character and indeed listed buildings. This development would change the character. I believe this area is of historic interest and should be protected.
