Dear Ms Bird

PROPOSED VEHICULAR ACCESS AT 67 OLD WOKINGHAM ROAD, CROWTHORNE – 00/00532/FUL

I apologise for the delay in responding to your consultation on the above application. I can now confirm that Wokingham District Council does not have any objection to the proposals.

Yours sincerely

John Mitchell,
Development Control Manager

CON/2000/1693 – CONSULTATION FROM BRACKNELL FOREST BC ON A PROPOSED VEHICULAR ACCESS AT 67 OLD WOKINGHAM ROAD, CROWTHORNE – 00/00532/FUL

There is an existing vehicular access to the application site from Old Wokingham Road and an additional access point is proposed to enable safer/easier access. The additional access would not have a detrimental impact on the character of the surrounding area and the Highway Authority and Wokingham Without Parish Council do not have any objections to the proposal. It is noted that the property boundary is within Wokingham District – the verge in Bracknell District is in Highway land but the part of the verge in Wokingham District does not appear to be recorded as Highway land.

DECLARATION AND CERTIFICATION OF OWNERSHIP

A. I hereby certify that no person other than the applicant was an owner of any part of the land to which the application relates at the beginning of the period of 20 days before the date of the accompanying application.

B. I hereby apply for permission in respect of the particulars described above and in the attached plans and drawings. I understand that if planning permission is granted, the development must be carried out strictly in accordance with the approved plans and that failure to do so could result in enforcement action being taken.

SIGNED Cynthia Breadman ON BEHALF OF K. Breadman DATE 13.5.00

Note: Permission under the Town and Country Planning Acts does not obviate the possible need to apply for Building Regulation Approval. Advice can be obtained from the Borough Council.

Form: HSPLAP.FRM (Computer Services 1991)

Notes to help Applicants

CHECK LIST

To apply, you need:

1. Six Complete copies of this form.
2. Six **location plans** (to show where your house is).
3. Six **detailed plans** (to show the proposed work).
4. The standard fee. (See separate fees notes)

Send all these to the Planning Department at the address shown on the front of this form.

Before you apply:

You are advised to discuss your proposals informally with the department's staff and your neighbours before making your submission. You should also seek professional help if your proposal substantially affects the appearance of your house.

NOTES

1. PLANS

You will need two types of plans:

(a) location plan
To show where your house is situated in relation to the surrounding area. **You must clearly edge the site boundary in red.** The plans should be to a scale of 1:2500 or larger.

(b) detailed plan (with elevations)
To show the proposed work and its relationship to existing buildings. The plan should be to a scale of 1:100 or larger and the main dimensions should be clearly stated. It should include all the information required by the questions overleaf. If the drawings are not adequate to give a true and accurate impression of what is proposed, your application will be returned to you.

2. Ownership

You can use this form only if you have a freehold interest in your house or have an unexpired leasehold interest of at least 7 years.

NOTE: If any part of your proposals overhang or undercut your neighbour's land (e.g. gutters, opening windows, roof overhangs, foundations) you will have to serve notice on your neighbour and confirm to the Borough Planning Officer that you have done so. (Forms are available from the Planning Department).

3. Building Regulations

In most cases, you will also need approval under the building regulations so please contact the Building Control Office at the address overleaf. **A separate fee is payable.**

4. Listed Buildings

If your building is included in the list of Buildings of Special Architectural or Historic Interest or your proposal could affect the setting of such a listed building, you may need **listed building consent** in addition to planning permission. Please check with the Planning Department if you are in doubt.

5. Permitted Development

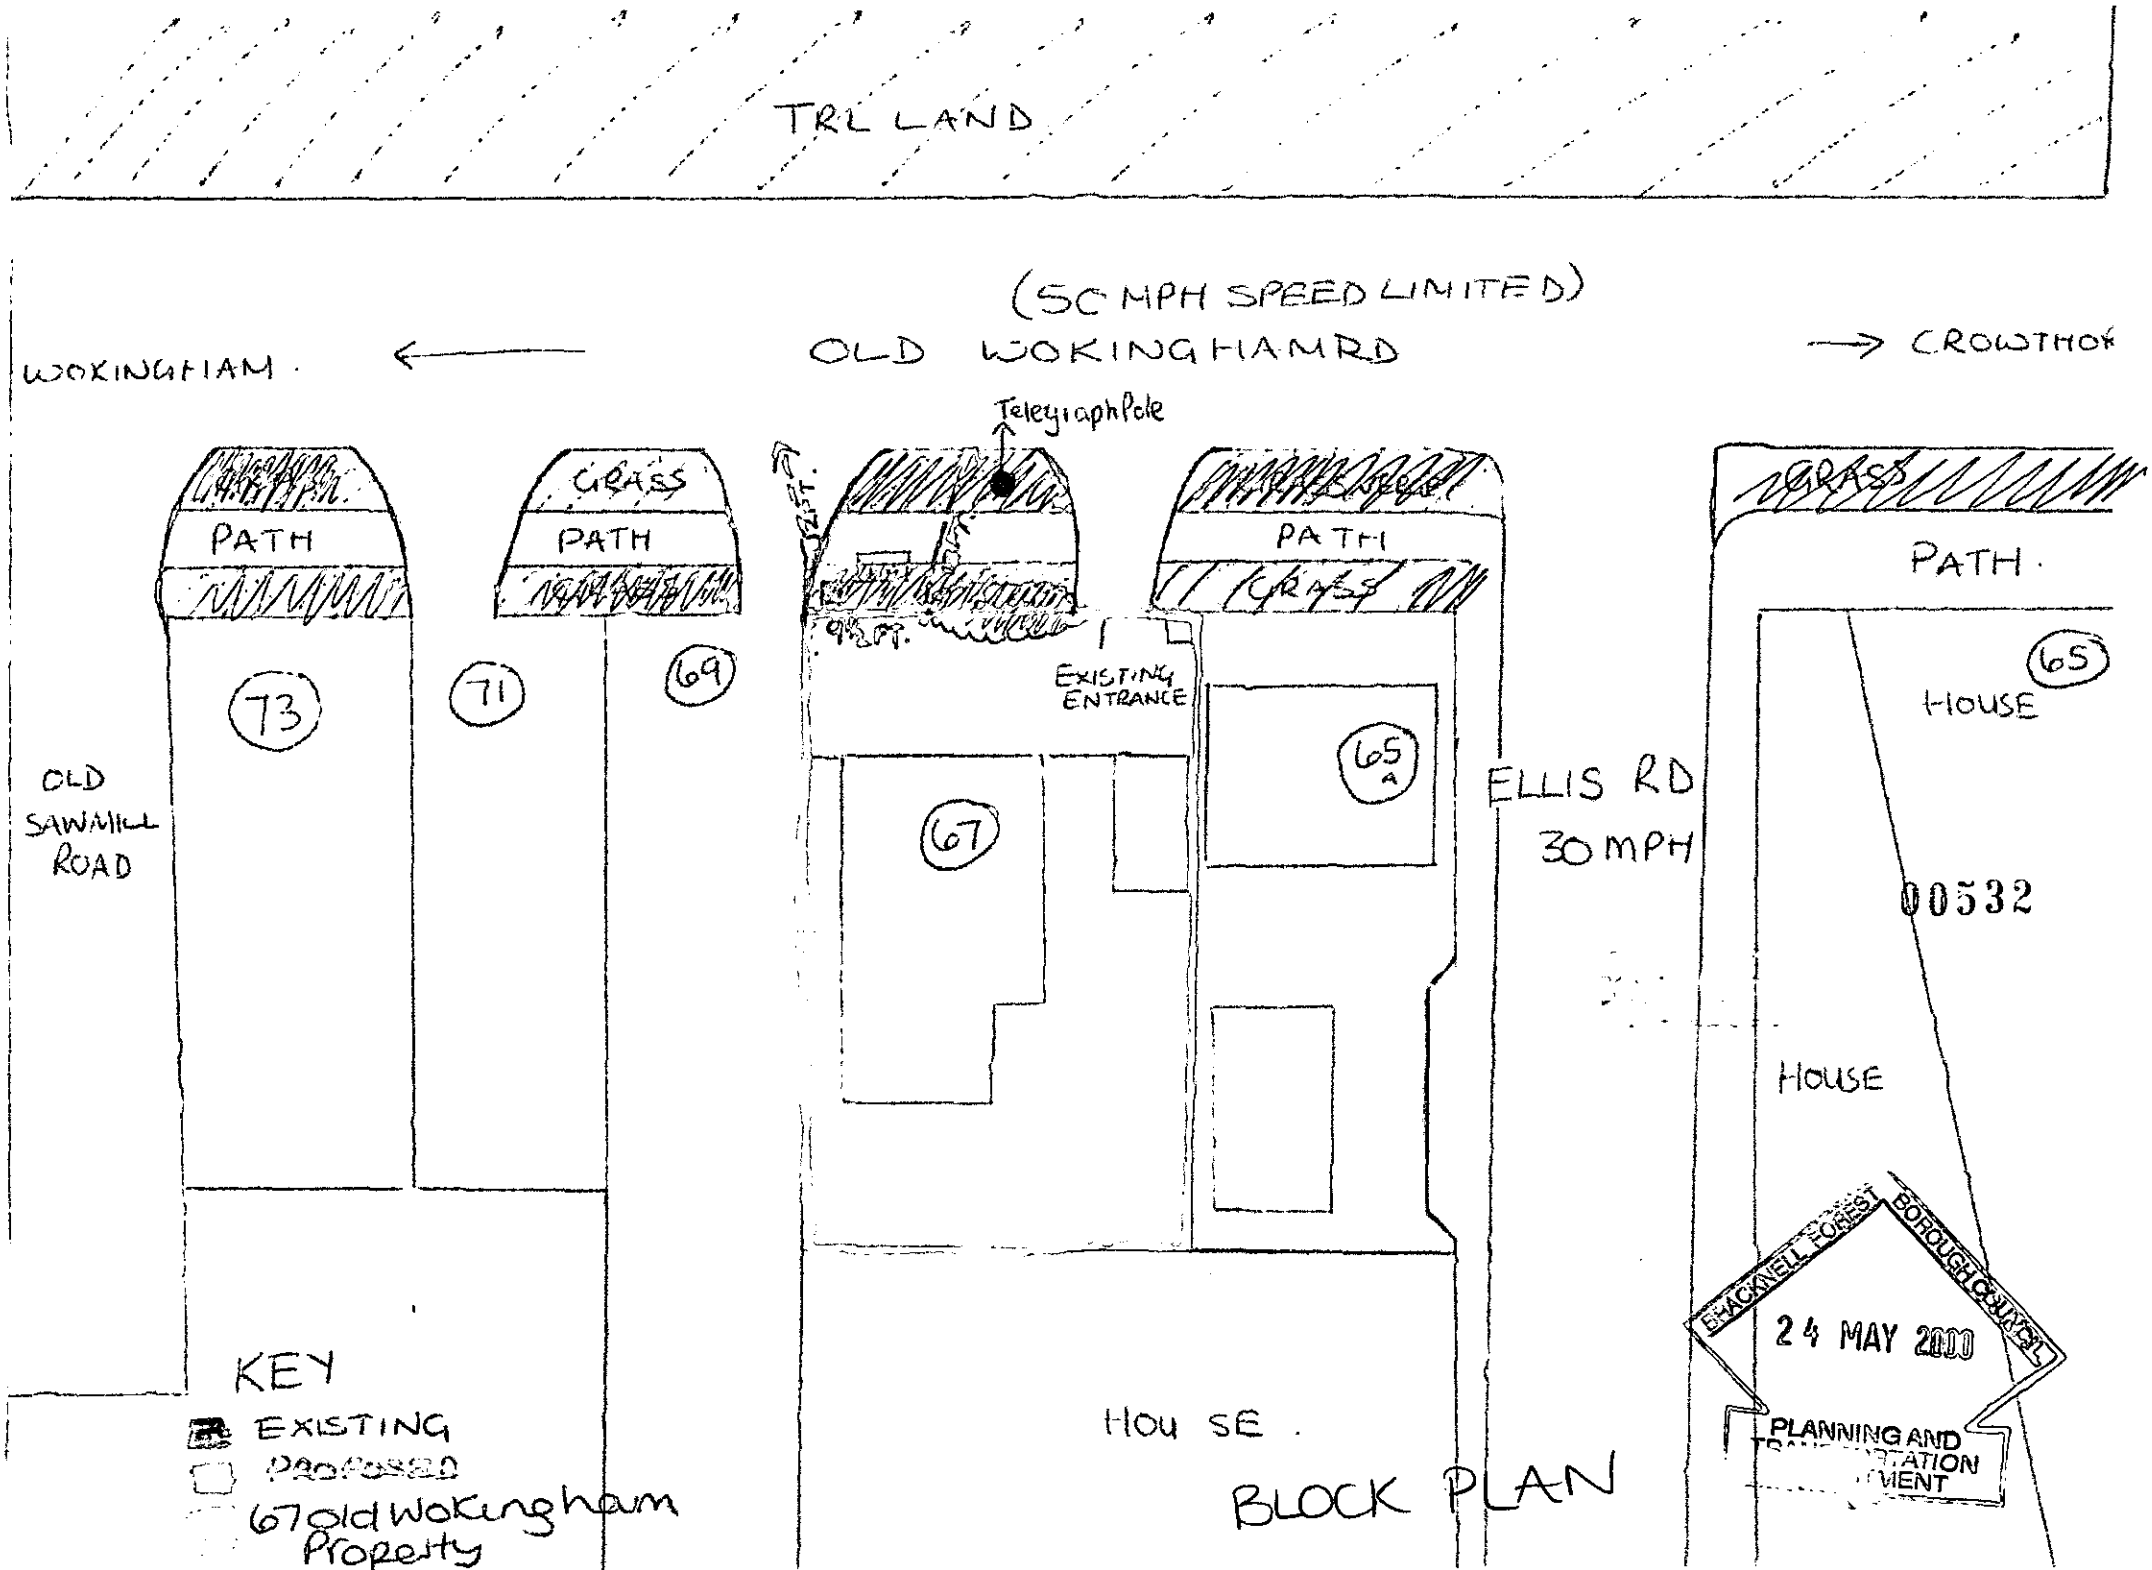

Some small house extensions do not require a planning application. If in doubt, please contact the Planning Department who will be happy to advise you. (An explanatory leaflet is available)

6. What Happens to the Application?

- It will first be checked to see if it is complete, and if it is, it will be registered, and an acknowledgement sent to you or your agent, if you have one, together with a notice which we ask you to display on the site.
- Consultations will be carried out with public and other bodies, such as the highway Authority, Parish Council's etc.
- The application will be considered in relation to the Council's planning policies, the past history of decisions on that site or in the locality, and the affect that the proposal may have on neighbouring properties.
- The site will be visited by a Planning Officer. You may be asked to submit more information, or to amend your application.
- The application will then be considered by the Borough Planning Officer who in many cases will be able to approve it. If the application is in any way controversial it will be referred to the Development Committee, which is made up of Borough Councillors, for a decision.
- A decision in most cases will be issued within 8 weeks, but more complicated cases may take longer. If the application is refused you have the right of appeal to the Secretary of State for the Environment. Details of how to do this will be given with the Notice of Refusal.
