Appraisal :

IMPACT UPON NEIGHBOURING PROPERTIES

The application being considered is a proposed single storey rear extension to dwelling. The proposed extension has a pitched roof which stands at approx 3.6 metres to the ridge and 2.5 metres to the eaves.

The proposed extension will project out from the rear of the dwelling by approx 2.6 metres. It will stand at approx 1 metre from the shared boundary with No 33. The proposed extension continues to the existing rear building line of the property.

The view of the proposed side window to the extension is shielded by an existing garage as well as 1.8 m fencing mature hedge and landscaping. It is therefore not considered that the proposed extension will have an adverse negative impact upon the neighbouring property.
