Dear Sirs

* IMPACT UPON NEIGHBOURING PROPERTIES.
* IMPACT UPON THE STREET SCENE.

Application Number: F/2000/1699

Appraisal :

IMPACT UPON NEIGHBOURING PROPERTIES

The application being considered is a proposed single storey rear and side extension to dwelling. The extension has a pitched roof with an off-centre gabled end which stands at 3.5 metres to the ridge and 2.4 metres to the eaves.

The proposed extension will extend out by 4 metres from the rear of the property and approx 1.5 metres from the side. It is located approx 1 metre at its closest to the shared boundary with NO 30. This would increase to approx 2 metres at its furthest point to the rear.

The neighbouring property of NO 30 has one window in the facing flank wall to the proposed development which is obscurely glazed. There are no additional proposed side facing windows. It is therefore considered that the proposed extension will not have an adverse negative impact upon the neighbouring properties and their living conditions.

IMPACT UPON THE STREET SCENE

The proposed development would be set back approx 7 metres from the front of the dwelling. It is therefore considered that the proposed development will not have an adverse negative impact upon the character of the existing dwelling or the wider area.

Dear Mrs Hurst

PROPOSED SINGLE STOREY EXTENSION AT 31 ARMSTRONG WAY, WOODLEY

Further to our telephone conversation, I can confirm that the scale for the Location Plan as shown on Drawing No. KPG-151/05 should read 1:1250.

I can also advise that the proposed extension does not encroach into the neighbouring property of No. 32 Armstrong Way, above or below ground. The right hand flank wall abuts the boundary line.

As requested, please find enclosed 6 No. copies of Drawing No. KPG-151/10 showing the right hand flank elevation.

I trust that the above are suitable for your requirements, and should you have any queries please do not hesitate to contact me.

Yours Sincerely
