Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The reason for this variation is because the development is speculative and the end user is unknown, so it is impossible to demonstrate achieving the BREEAM level and provide a BRE certificate without the building being in operation for the end user.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Change from:

'Prior to the first occupation of any of the buildings within the development hereby permitted, details shall be submitted to the local planning authority which demonstrate it has achieved BREEAM level 'Very Good' in accordance with the requirements of BREEAM [or such national measure of sustainability for non-residential design that replaces that scheme] and shall be maintained as such thereafter.'

to:

'Within 6 months of occupation of any of the buildings within the development hereby permitted, details shall be submitted to the local planning authority which demonstrate it has achieved BREEAM level 'Very Good' in accordance with the requirements of BREEAM [or such national measure of sustainability for non-residential design that replaces that scheme] and shall be maintained as such thereafter.'
