Recommendation: Approve

Conditions and/or Reasons

1. Timescale - The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details - This permission is in respect of the submitted application plans and drawings numbered 24/948-01 & 24/948-03 received by the local planning authority on 25/07/2024. The development shall be carried out in accordance with the approved details unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. External materials - Except where stated otherwise on the approved drawings and application form, the materials to be used in the construction of the external surfaces of the extension hereby permitted shall be of similar appearance to those used in the existing building, unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: To ensure that the external appearance of the building is satisfactory.
Relevant policy: Core Strategy policies CP1 and CP3.

4. Ancillary Accommodation - The annex outbuilding hereby approved shall be used as ancillary accommodation to the main dwellinghouse and the dwelling shall remain in use as a single dwellinghouse and not be used, sold or sub-let as separate dwellings.

Reason: A separate unit of accommodation of this nature may not be acceptable in this location in the interests of the amenities and character of the area and highway safety in accordance with Core Strategy Policies CP1, CP3, CP4, and Managing Development Delivery Local Plan Policies CC01, CC07, TB07, TB08.

Informatives

1. The development accords with the policies contained within the adopted development plan and there are no material considerations that warrant a different decision being taken.
2. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.
3. The development hereby permitted is liable to pay the Community Infrastructure Levy. The Liability Notice issued by Wokingham Borough Council will state the current chargeable amount. A revised Liability Notice will be issued if this amount changes. Anyone can formally assume liability to pay, but if no one does so then liability will rest with the landowner. There are certain legal requirements that must be complied with. For instance, whoever will pay the levy must submit an Assumption of Liability form and a Commencement Notice to Wokingham Borough Council prior to commencement of development, failure to do this will result in penalty surcharges being added. For more information see the Council's website - Community Infrastructure Levy advice page. Please submit all CIL forms and enquiries to developer.contributions@wokingham.gov.uk.
4. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.
